U. S. NOTE NOW UP TO KAISER—MORE VESSELS SUNK—FRENCH REPULSE GERMANS

HOME SOCIETY'S ANNUAL SESSION HEARS REPORT

Organization Working for Welfare of Children Throughout State Increased Work During Year

Featured by an address by Dr. David Warman, of Hazelhurst, the New Jersey Children's Home Society convened for its twenty-first annual session this morning at the McKinley Receiving Home, on Brunswick Avenue.

Dr. Warman, a former Trenton physician, was largely instrumental in organizing the society in 1894 and has served continuously as a member of the Board of Managers. He was for a number of years vice president of the board and gave medical attention to the children of the society gratuitously.

Dr. Warman gave a general review of the society during its 21 years of existence. He described the various phases of the work.

The reports of the secretary and the superintendent, J. C. Stock, showed that 2,118 children had been received since the society was organized and during the past year 62 boys and 50 girls were given care. Of this number 79 were from parents of friends and 43 for places in homes. Twenty-six were of temporary care. The court committed 32 to the home. During the year 129 children were returned for new homes and 75 were sent for the first time.

Of the number that passed out of the control of the secretary, 46 became self-supporting; 17 returned to friends; four were in institutions; 10 were adopted, and nine were married. There are 639 children of the society in family homes and the secretary made 1,076 visits to children in foster homes last year.

The report says there are 109 children unsettled. Of this number, 43 are in the receiving home, six in hospitals, 20 in homes, 50 at board. There are 101 wards.

In the aid work the report says there were 418 cases and 177 old cases investigated in which 1,442 children were concerned.

MANY GIVEN CARE.

The total number of children cared for at the McKinley Receiving Home during the past year were 132. The expenses of the home were \$3,322.25, but of this amount \$387.45 was used for improvements. During the year there were 285 applications for children.

A committee was appointed from among the members to draft resolutions in memory of the late Rev. Dr. J. Morgan Rice, who served as a member of the Board of Managers for the past year.

The Ladies' Auxiliary reported it has in course of construction a building in which children received will be kept for two or three weeks before being placed in the main building. This change will be made to prevent the danger of contagion in the future.

The meeting today was the first at the home in three years because at that time the home was under quarantine.

Luncheon was served by the members of the McKinley Auxiliary. This afternoon the Board of Managers will reorganize and elect the field workers of the society.

GET THE STARS AND STRIPES

With Foreign Relations in the Balance and Flag Day at hand (Monday, June 14, being the date), every one should show his colors, the Stars and Stripes.

To provide an effective and permanent display of the American Flag in every home, business place and school house in Trenton and vicinity.

The Trenton Evening Times has had made several thousand handsome pictures of the Stars and Stripes for Free Distribution.

This Flag is finely printed on Heavy Paper, in the tri-colors, Red, White and Blue, with cloud and sea effects in the background and below. At the top is the word "Peace" and at the bottom the stirring words of Stephen Decatur: "Our Country, in her intercourse with foreign nations may she always be in the right; but our Country, right or wrong."

The picture is of sufficient size and attractiveness for framing or it may be displayed on wall or in window without framing. Displayed everywhere it will be a striking demonstration of patriotism.

S. E. Kaufman Company and A. V. Mannings' Sons will do the framing at a low rate. The flag picture is ABSOLUTELY FREE to all who bring the coupon below to the Times Office, 8-10 South Stockton Street, any time before 10 o'clock Saturday night.

Every child especially should get one of these handsome souvenirs of Flag Day. Here's the coupon:

FLAG, 138 YEARS OLD MONDAY, HAS VARIED HISTORY; ORIGIN OF DESIGN IS STILL UNSETTLED

With the United States facing the greatest crisis in the nation's history, the observance of Flag Day, Monday, June 14, will be more significant than ever before. June 14 will mark the one hundred and thirty-eighth anniversary of the adoption of the Stars and Stripes by the Continental Congress as the official emblem of "the land of the free and the home of the brave."

The flag has a varied history, changes in design dating back to the establishment of the various governments in the Colonies. Naturally, the standard English flag was used by the American Colonies in their early days, and this was commonly the Cross of Saint George and later the British Government's Union Jack.

White banners with a red cross, a popular design being a pine tree or hemlock in the upper left hand corner, while one flag had only the tree for a symbol.

AMERICAN WHO SHOT MEXICANS GIVEN RELEASE

Alleged They Were Trying to Break Into His Residence in Mexico City

WASHINGTON, June 10.—W. P. Moats, an American, shot and killed two Mexicans who were trying to break into his house in Mexico City Tuesday night, the State Department was advised today.

Moats was said to have been arrested but the Brazilian minister took up his case and succeeded in securing his release.

Consul Carothers reported to the State Department that the fight between the Villistas and Carranzistas in the vicinity of Leon was still going on with the Villistas at present on the offensive.

The State Department had information today that Carranza's and Villista forces are still engaged in progress in Central Mexico.

SPENDING \$10,000 ON HOTEL WINDSOR

First Floor To Be Remodeled. New Grill Will Be Installed

Improvements to the first floor and basement of the Hotel Windsor, cost \$10,000, have been started. Workmen are engaged in tearing out some of the piping in preparation for the general reconstruction of which work will be completed by July 3. Edward Fisher, proprietor of the hotel, had drawings revised for the improvement. Charles R. Randall is the general contractor.

In planning for the remodeling, Fisher, an experienced hotelman, arranged for the complete changing of the first floor. The improvement will take in the store occupied by E. F. Gunson, and he will vacate July 3. A store will be constructed where the present lobby of the hotel is now located.

The present ladies' entrance to the hotel will be the main entrance to the establishment. The stairway will be changed and the main office will be located in the rear where the cafe now is. This arrangement will give more room. The bar will be removed to the rear side of the building, now occupied by the Gunson store. It will be connected with the new lunch room.

Extensive arrangements have been made for a modern grill and there will be a summer garden on the lawn of the hotel. The lawn adjoins the present large dining-room and is spacious. Till the end of the year the rear of the bar and lunch room. To the rear of it will be a stairway leading to the basement bowling alleys which are being put in.

The grill will be employed for the floors and side walls and the other decorations will harmonize. Particular attention has been given the designing and the water side of the building. The large dining-room, for which the Windsor is famed, will be retained. It is planned to give refined entertainment in it.

GERMAN PRESS IS GLAD BRYAN'S OUT

Say Better Relations Will Now Exist Between Teutons and United States

BERLIN, via the Hague, June 10.—Germany does not believe that the American rejoinder in the Lusitania matter will result in the breaking off of diplomatic relations between the two countries.

High political circles distrust English reports that the latest note amounts to an ultimatum. They express the conviction that Germany and the United States will continue on amicable terms.

The newspapers continue to devote much space to Secretary Bryan's resignation. They express the conviction that Germany and the United States will continue on amicable terms.

BRYAN'S POLITICAL RUN ANTICIPATED

General Feeling His Plans, as Indicated in Statement, Will Prove Failure

WASHINGTON, June 10.—Former Secretary of State Bryan is going before the American people in an effort to persuade them that he is right in his resignation. Bryan was in the course adopted by the United States Government in dealing with Germany.

A statement issued yesterday afternoon, the retiring Secretary indicated that he would follow this program, although he did not say so explicitly.

The way Bryan puts it in his statement is that as the President's "best hope" is to see the country "in a better position to investigate, or second, in warning the people not to incur the extra hazards in traveling on the sea."

It is in other words, it is apparently Bryan's desire to see the country in a better position to investigate, or second, in warning the people not to incur the extra hazards in traveling on the sea.

NO ALTERNATIVE GIVEN KAISER BY U. S. NOTE, NOW IN BERLIN; NOTABLE VICTORY FOR ITALIANS

Austrians Driven From Montafalone and Fall of Goritz Now Appears to Be Imminent

ROME, June 10.—Italian troops have won their most important victory of the war. In the first stages of the great battle now raging along the Isonzo, they have captured the railway center of Montafalone, near the Adriatic. The fall of Goritz, capital of the Austrian province of that name, is believed to be imminent.

To the north, in the village on Monte Nero, a Bersaglieri drove the Austrians from a rocky height in a hand-to-hand struggle with bayonets. The enemy fled, leaving 100 bodies and 50 wounded on the summit of the peak.

Unofficial dispatches said that the Austrians are shelling Trieste from long range, having occupied Rovereto. These dispatches, unconfirmed, also reported that the towns of Besenico, Fattaro and Beseno, lying between Rovereto and Trieste, are being shelled by the Italians.

"Our losses in the Isonzo battle thus far have been very light," said an official statement from General Cadorna. "Prisoners report that the enemy has suffered heavily. We have captured more than 400 Austrians."

Montafalone lies 12 miles inside the Austrian frontier, 16 miles northwest of Trieste. Its capture by the Italians, after a fierce struggle for possession of the town, represents the greatest advance into Austrian territory since the war began.

BRITISH COLLIER IS SUNK

Six Other Vessels Are Also Victims of Submarines

LONDON, June 10.—The British collier Ernaabold has been torpedoed and sunk by a German submarine. Her crew of twenty was landed at Harwich today. They reported that the collier was attacked during the night, without warning.

The small Grimsby trawler Velocity has also been torpedoed and sunk by a German submarine.

Dispatches this afternoon added the Grimsby trawlers Tunstun, Castor and Persimmon to the list of U-boat victims.

Believing Position Justified and Endorsed by Public, Wilson Won't Reply to Bryan

WASHINGTON, June 10.—President Wilson will rest his case in the German-American controversy on his note to the Kaiser today, the Berlin correspondent writes. He believes the note will entirely justify his position. Consequently, neither he nor his friends will answer the Secretary of State Bryan's explanation of the note. The President is understood to have taken the position that it is not the duty of the President to make the Lusitania incident the cause for the note of May 13, but rather the methods by which they were killed. The United States in its original note of February 16, 1915, made it plain that if Americans were sacrificed as victims of the German submarine policy this Government would hold Germany to "strict accountability." In pursuance of that announcement, the note of May 13 was dispatched. The President considered the German reply unresponsive and the note now in Berlin plainly says so.

GERMANY INSISTS ON PRIZE COURTS

Reply in Frye Case. Denies Treaties Violated by Sinking of Vessel

WASHINGTON, June 10.—The State Department today made public Germany's reply to the American note on the sinking of the William P. Frye by the German converted cruiser Prinz Eitel Frederick. The note says the German office cannot admit the U. S. contention that the destruction of the Frye was in violation of treaties. The case, it insists, is subject to a prize court. In conclusion, the Imperial Government says it is ready to comply with any prize court requirement.

ONE DEER MISSING AT PARK PADDOCK

One of the eighteen deer that escaped from the Cadwalader Park paddock is still missing, but Edward J. Bailey, the keeper, is confident he will return if he has not wandered too far.

The animals got out last Sunday after breaking a hole in the fence surrounding their enclosure. They raced into an adjoining wheat field and were not seen again until Tuesday. They were finally surrounded.

OBREGON LOSES ARM

WASHINGTON, June 10.—That General Obregon had lost his right arm in the fighting with the Villistas at Leon was confirmed in dispatches from Vera Cruz to the Carranza agency here today.

REPORT SAYS BODY NOT VANDERBILT'S

LONDON, June 10.—The late Alford Vanderbilt's secretary this afternoon received a telegram from his representative at Queenstown saying a body washed up on the coast of Ireland bore no resemblance to Vanderbilt.

The telegram said the body was probably that of a third-class passenger aboard the Lusitania. The message did not explain previous reports that Vanderbilt's watch and papers bearing his name were found on the body.

LAST "SAFETY FIRST" LECTURE IS TONIGHT

Much interest centers in the "Safety First" lecture to be given at the Mott School this evening. This talk and illustration by A. J. Van Brunt, under the auspices of Director of Public Safety LaBarre, will close the campaign in this city. Thousands of adults and children have attended the meetings in the series, and it is believed the attendance at the gathering this evening will be large.

FIRE DAMAGES HOME

Fire of unknown origin caused about \$50 damage this morning at the home of Mrs. Mammie McLovery, 407 Hudson Street. The blaze was discovered under the dresser and was making good headway when the firemen arrived. Assistant Chief Stackhouse, with Engines 3 and 7, and Truck 2, answered the alarm.

WILSON GIRL NOW GIVEN TO MOTHER

Little Ethel Wilson, daughter of Walter S. and Ida K. Wilson, is now with her mother. She was awarded the custody of the child to his father. There was an exciting scene, the litigants fighting to remain with her mother.

At a further hearing in the alimony suit, the court directed that the child be again placed in the custody of the mother. However, the father is to see his daughter at frequent intervals.

JURY FINDS MAN GUILTY OF ASSISTING MURDERER TO ESCAPE

Dominic DeStefano is being tried before Judge Marshall in Mercer Court today on an indictment alleging a serious statutory offense. He is represented by John H. Kafes, while Assistant Prosecutor English appears for the State.

After a deliberation of two hours, the jury that heard the evidence in the case of Frederick DeStefano, indicted for aiding and abetting the escape of Alpine Fiorelli, the murderer, returned a verdict of guilty as charged. The verdict was accompanied with a recommendation for mercy. John H. Kafes represented the defendant, while Prosecutor Devlin appeared for the State.

Elmer E. Smith, arrested on a serious charge involving his 11-year-old daughter, was released on \$500 bail by Judge Marshall yesterday afternoon. He was represented by Harry Heber.

Michael Kuffler, the steamship and real estate agent, charged with perjury, embezzlement and illegal banking, was released on \$2,000 bail. William M. Jamieson appeared in his behalf.

W. C. T. U. TO CHEER UNFORTUNATE WITH BOUQUETS—CHILDREN HELP IN WORTHY WORK

Library Hall is today filled with thousands of beautiful flowers sent by individuals, schools and the William Moon Nursery Company, to be used by the members of the Women's Christian Temperance Union for bouquets to the inmates of the prison, jail, almshouse and hospitals, in observance of Flower Day. A large number of women are at work. They wish to thank all who so generously contributed to the success of this splendid work.

A pleasing incident in connection with the observance of Flower Day was the interest taken in the event by a number of little folks residing on Rutherford Avenue. After reading in the Times of the plans made by the W. C. T. U., they decided to do what they could to help. Yesterday afternoon the gathering of flowers took them to the home of Mrs. Woodward, of 310 Rutherford Avenue, who gave them a large lot of roses and peonies.

Greatly enthused by these contributions, they canvassed the neighborhood until they procured a beautiful collection of flowers which they arranged in bouquets and sent to Library Hall. The children were: Eva Staats, Ida Durn, May O'Hara, Ferdinand Sutor, Margaret Dorn, Josephine O'Hara, Herbert Woodward.

ONLY SIX MORE DAYS TO HELP FUND THAT WILL GIVE TRENTON KIDDIES MUCH NEEDED OUTING

Six days remain for the collection of the balance of \$216.55 needed to make up the total amount over for the Summer Camp of the Trenton and Mercer County Tuberculosis and Sanitation League to be established along the Jersey coast. The fund will give at least 200 poor amemic children of Trenton a vacation of two weeks' each.

The League started June 1 to collect \$500 to complete a fund of \$1,500 by June 15. Up to this time a total of \$283.35 has been secured, leaving a balance of \$216.55 to be raised by June 15. It will be an easy matter to have this money in hand on the last day of the campaign if those who are interested in the kiddies of Trenton will only make their contributions at once.

LEFT ON STREET WHEN MOTHER DIED, BROOKLYN BOY IS FOUND SLEEPING IN DOORWAY HERE

Left without a home when his mother died, Louis Kamline, a 14-year-old Brooklyn boy, was cast into the streets to provide for himself. He reached Trenton yesterday in the hope of obtaining employment. Unable to get work, he went to sleep last night in the doorway at the Taylor drug store, Ferry and Broad Streets. Patrolman Green, who was trying the doors along the street, found him and brought him to Central Police Station.

The youth was given lodging for the night and this morning was brought to the custody of a local Jewish relief association. He is a bright youth and well dressed.

LIQUOR, TOBACCO MAY OPPOSE PROHIBITION

CINCINNATI, June 10.—Advocating a closer alliance between the tobacco and liquor industries, J.
